

Supervisory Training for the ASE-Local 1 Substance Abuse Program

A Breakfast Seminar for Chicago Area Erectors & Local 1 Employers

How do you recognize a drug user? When can you call for a drug test? This “signs and symptoms” workshop will give owners, superintendents and key field personnel the training they need to spot employees who are impaired by drugs or alcohol on the job. Information will be provided on drug specifics, signs to look for, testing procedures, documentation and rehabilitation programs.

This workshop is designed to meet the mandatory training requirements for supervisors and “for cause” testing under the ASE-Local 1 Substance Abuse Program. A certificate of completion will be given to all participants.

Thursday - November 17, 2011

OR Tuesday - November 29, 2011

Walsh Construction Co.

307 S. Sangamon - Chicago, IL 60607

Free Parking Available

Time: 8:00-10:00 am

Topics that will be covered

- Drug Free Workplace - supervisory responsibilities
- Signs and symptoms of alcohol substance abuse
- Testing Processes
- Documentation and intervention techniques
- Effective use of rehabilitation programs

Speaker:

The speaker for this workshop is **Terry Strickland**, Vice President of Bensinger Dupont Associates, the company that serves as administrator for the Employee Assistance Program for Ironworkers Local #1 as well as Third Party Administrator for the Substance Abuse Program. **Mr. Strickland** is a graduate of Ball State University in Muncie, IN with a Masters in Clinical Psychology. He has 33 years experience in the field of substance abuse treatment. He joined Bensinger DuPont and Associates in 1992 and serves as the clinical manager there.
