

# 2018 STEEL INDUSTRY GOLF OUTING

Wednesday, September 12  
Silver Lake Country Club  
Orland Park

The American Institute of Steel Construction, the Associated Steel Erectors of Chicago, the Iron League of Chicago, and IMPACT have put together the Steel Industry Golf Outing as a fun day for everyone in the industry — a chance to meet and relax without losing an entire day of work. All employers, associations, suppliers and other organizations who are involved in the fabrication and erection of steel products are welcome to participate.

*We are limited to the first 144 golfers who sign up for the 9-Hole Shotgun Event.* Regular tee times will be available for additional golfers and those who would like to play 18 holes on other courses at Silver Lake.

What's different about this outing? No stuffy dinner and long wait for awards. The Golf Outing begins with a cookout lunch, followed promptly by 9 holes of Beautiful Golf, an Open Bar and a generous array of tasty appetizers. No boring speeches — just lots of prizes!

## SCHEDULE

|                    |                        |
