Orland Park

Associated  
Steel  
Erectors

## WANTED: Golfers & Sponsors

The American Institute of Steel Construction, the Associated Steel Erectors of Chicago, the Iron League of Chicago, and IMPACT have put this event together as a fun day for everyone in the industry — a chance to meet and relax without losing an entire day of work. **All employers, associations, suppliers and other organizations that are involved in the fabrication and erection of steel products are welcome to participate**

For further information please see the enclosed Signup Sheet. The 9-Hole Shotgun Event begins at 3:00 pm and will be played on two courses simultaneously. Golf will be preceded by a cookout lunch at 1:00 pm. Regular tee times will be available for any golfers who would like to play on their own before the Outing begins.

What else is different? No stuffy dinner with a long wait for awards. The Golf Outing will be followed promptly by an Open Bar and a generous array of tasty appetizers. No boring speeches — just lots of prizes and fun.

*Note:* A portion of the proceeds from the 2019 outing will be given to a local industry related non-profit organization.
